

CONFERENCE PROGRAMME

21st - 23rd June 2021

Our exciting programme draws on over **200 submissions** for practice and research from **20 countries**. Attendees will have a choice of **more than 90 presentations, workshops and films**, covering subjects as varied as dementia and the arts, hip hop therapy, young people's mental health, singing for health, staff wellbeing and training, partnerships and access, population level research and theoretical contributions.

A ticket will give you full access to the **live programme from 21st-23rd June** and to **recordings of sessions on demand**. The programme is designed to engage audiences from around the world with keynotes in the morning, afternoon and evening and interactive sessions that take into account different time zones for presenters and audiences. Full descriptions of sessions will be available on Airmeeet and on the [conference website](http://www.chw21.org.uk).

The conference will be hosted online via Airmeeet. To keep up to date with any final changes to the programme and to see details of sessions and speakers go to our [Airmeeet Page](#).

Key to Session Types:

K	Keynote Key talks and performances that frame the event
O	Oral Presentation(s) Presenters will speak, sometimes with the aid of screen sharing presentations
